

REMARKS

The Amendments

The sole claims remaining rejected are canceled, i.e., claims 8 and 14. New independent claims 15 and 16 are added. Support for the new claims is found in the specification, for example at page 1, lines 5-6, and page 22, line 20, to page 24, line 10. The new claims are directed to compositions and methods for making compositions. They are not directed to methods of treating, thus, it is believed they avoid the 35 U.S.C. §112, first paragraph, issues which gave rise to the previous grounds of rejection.

Applicants reserve the right to file one or more continuing and/or divisional applications directed to any subject matter disclosed in the application which may have been canceled by any of the above amendments.

The Rejection under 35 U.S.C. §112, first paragraph

The rejection of claims 8 and 14 under 35 U.S.C. §112, first paragraph, is rendered moot by the cancellation of these claims.

It is submitted that the claims are in condition for allowance. However, the Examiner is kindly invited to contact the undersigned to discuss any unresolved matters.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/John A. Sopp/
